Their skin is used for shields, ook stupidly at it when it is put into their and sometimes they are stuffed, in order nands. They have never made any effort to be sold to travelers. The Nubian's

A Lost Opportunity.

The following touching little incident actually occurred: One day Bridget came to her mistress in great distress of mind. "Oh!" mam," says she, "my father's dying, jist. It's breathin' his last he is, in New York, and no money to pay for the last sacrament and the masses for his soul. Could you lind me twenty dollars, mem, on me wages, to send before the breath's out of his body, poor ould man?" The money was kindly furnished and sent forthwith. A week down her cheeks, and great sobs shook her honest shoulders, "Why, Bridget, swhat in the world is the matter?" said
